Tips and Tricks for Managing Anxiety

Please join us to hear from Nate Searle, MS BCBA. Nate is a local Behaviour Consultant with many years of experience working with children and youth with developmental differences. He has a particular interest in Anxiety. He hopes to shift our understanding of anxiety and its treatment and break the silence so that kids and adults, who suffer silently and painfully, can be better supported.

Please note this is Part 2 of a two part presentation. Part 1: Is it Anxiety... or something else? Will be held on Tuesday September 22 from 630- 830 pm. Participants can attend one or both of the presentations, but an RSVP is required.
