The Value of Art

We are thrilled to have Ilse Phillips, Director of Vicuna Art Studio share information with us about how art can play a significant role in a child's life. Vicuna, one of RMACL's ventures, is a full-service and inclusive art studio which hosts art shows and events throughout the year. Samples of artwork will be shared and Ilse will provide helpful and inspiring information about the value of art.

Come prepared to roll up your sleeves; there will be a fun hands-on activity.

New parents are always welcome!

Please note that limited child minding may be available, but would be offsite. If child minding is required please contact us by September 14 so that arrangements can be made.
